

Snow Closure and Delay Policy

In case of inclement weather, the parish observes the following:

- Parish office follows the school closing or late start as determined by the School of the Incarnation. School of the Incarnation generally follows the closings and delays indicated by Anne Arundel County Public Schools (although at times there may be differences). Please check the School of Incarnation website (link at bottom of side menu) for school delay or closing announcements.
- If the School of the Incarnation is closed, the parish office is closed and evening meetings and sessions are cancelled.
- Weekday Mass is not celebrated in the Chapel on days when there is a late start or closure.
- If the bad weather begins during the school day or is forecasted for the evening, call the parish office at 410-519-2291 to hear the necessary information regarding evening parish activities.
- If the weather event lasts several days, contact the parish office for the latest information.

Sunday Masses are never cancelled unless the Archdiocese of Baltimore has issued a statement dispensing the Mass obligation for Sunday.

Please use discretion if your area experiences particular difficulties due to weather.

You may call the parish office for a voice mail message to verify closure if we have been able to post it.
